In the matter of Coin Collecting, there is no outlay of funds that brings equal satisfaction, to that expended for priced catalogues of current sales.

Coins and Medals are sold at so much per piece. Kindly make your bids accordingly. Do not bid by the lot. If a lot contains 10 pieces and you desire to offer $2.00 for it, make your bid 20c.

My terms for buying are 5 per cent.

Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids, otherwise they will not be accepted.

Collectors with experience have found that all catalogues are not alike.

My rating of the condition of Coins and Medals, and the statements made in my Catalogues as to their rarity, etc., are to be distinctly understood as based on my personal judgment, formed after an experience of more than twenty-five years as a dealer.
